6.0  Reports  
6.1  Building Projects  

School:  
- We have received a response from Colburn Electric and will discuss in closed session.  
- We had a major problem with our Fire Pump, tank, etc. starting on Friday, September 11th. We have been working with many of the professionals who were initially involved in the construction and/or set up of our system. Adam Dummer has also been instrumental in helping solve the issues. Julie was able to run the weekly test today and it was successful. Josh McKnight suggested the school purchase a hydrant lock.  

Well: The well driller is here this week to drill in the designated spot in the corner of our property. Presently we are estimated amount to receive $223,000 for the hardship grant.  

Generator: PG&E installed the switch and have a rented generator in place and operational. Here’s an excerpt from our newsletter: BRESD has been working with PG&E to install a whole school generator at our school to be used when the power goes out in our community. It is now fully operational! If the power goes out for any reason we will still be able to keep the school open as the generator will automatically turn on and power the school. If it’s a planned PSPS (Public Safety Power Shutoff), a small crew from PG&E will arrive to set up an information and community resource station in the far end of the parking lot. They will follow all protocols for health and safety. They will have charging stations for cell phones and internet access for community members to use during the power outage. The PG&E employees will be monitoring all visitors to the school parking lot and making sure there is no contact between them and our students, as we still have a “closed” campus. If the power goes out due to “natural causes” or a downed pole, then there will be no PG&E crew on site.
So, if the power goes out at your home, please assume that school will still be held. If we do need to cancel, we will send out a Robo-call, text, and e-mail. Unfortunately, the generator may only be at our site until the end of December, but we are working on a plan to get our own generator now that the setup is in place. Kathleen is continuing to work on the Generator project. She will be working on researching propane vs. diesel generators and well as the cost of continuing to rent the generator after December.

6.2 Superintendent –
- The County SELPA (Special Education) agreed to hire a Behaviorist to help the county schools with addressing and meeting the needs of both at-risk behavior students and their teachers. Hopefully the part-time position will be up and running by late fall. Sarah Brown questioned behavior at BRS. Kathleen responded that BRS currently doesn't have "severe behavior issues" but the behaviorist would still be of valuable assistance to teachers in maintaining and strengthening positive classroom behaviors.
- Upcoming district plans due by December/January: 1) The Single Plan (needed because we have no LCAP this year but we do receive Federal Title I funding), 2) The School Accountability Report Card (SARC), and by May-3) the 2021-2024 LCAP.
- Today we received Chrome books donated by Frontier Communications which will be given to students meeting the criteria outlined in an agreement. Students need to be in 6th grade or higher, qualify for Free/Reduced lunches and in need of a device at home.

6.3 Business – Robin reported that business has been continuing as usual. Staff was happy to receive the increase in the Health and Welfare Cap. She is continuing to prep for the first interim which will be presented at the December board meeting.

6.4 Principal – Kristi Kilgore-Holland reported the following:
- We've made it over 7 weeks!
- 9/14 start of Intervention for identified low-performing students
- 9/18 Virtual Back-to-School--presentations are on the school's website--Check them out!
  o Teachers have created websites for their classrooms which are linked to the school website.
- 10/1 Love and Logic Parenting Virtual Classes--once a week for 6 weeks--Betsy is attending
- 10/2 Custodian Day—All students wrote little messages to Julie McCurdy--the K/2 class made a class book, the 2/4, 4/6, 7/8 classes collaborated on a "Thank you for making our school sparkle" bulletin display in the gym, and her janitor's closet was decorated. This really made Julie feel special.
- 10/5 Progress Reports sent home--These are the mid-trimester reports
  o Upcoming:
    - 10/12 Teacher Professional Development and Work Day at Burnt Ranch School. Teachers only--no school for students or classified staff. (The Annual County-Wide PD Day was canceled due to COVID-19 restraints.)
      o Morning: PD activities/trainings based on teachers' input - iReady, Math games, Writing, SMART technologies
      o Afternoon: teachers meeting, including planning for the Harvest Festival and planning time for teachers
- 10/15 Native American Basket presentation--Credentialed teacher from Hoopa, Wes Crawford, will be on campus to show his basket display to all the students. All health/safety protocols will be in place.
- 10/22-26 Cue Conference (Virtual) Betsy and Kristi are attending
- 10/26 Parent Advisory Committee Meeting @3:30
- 10/30 Harvest Festival—to be held during regular school hours for in-person students. There will be no outside volunteers or parents in attendance.
- 11/11 Veterans Day - No school
- 11/13 End of 1st Trimester
- 11/17-20 Parent /Teacher conferences (via Zoom, phone, or socially distanced meetings) Minimum Days
- 11/23-27 Thanksgiving Break

Information:
- 82% of students (55 out of 67) attending classes on campus. 18% (12 students) in Distance Learning.
- HEPA air purifiers in classrooms, library, ASES room, office, and gym to help with the smoke.
- Students in grades 5-8 eat in their classrooms on smoky days; K-4 eat in the cafeteria.
- ASES is using same precautions. Working on a more effective parent sign-out system.
ASES Assistant Rachel is running a language club two days a week using Duolingo; students are learning a second language of their choice.

- The stage area has been redesigned to make another learning space for small groups.
- Continuing to update and redo the website to make it more user friendly and relevant.

6.5 Enrollment - 67 and attendance - 95%

6.6 Staff – Robin reported that the staff members received vases of fresh flowers from the BRS PTO and they were much appreciated. She also reported that we do have amazing volunteers: Tyler Thompson was responsible for the addition to the playground; Mike Harding build a box with benches for the dogwood tree that was donated by the 8th grade class of 2020; Thurston Wilson build stands for the hand sanitizers to avoid drilling into the new walls as well as plexi-glass stands for the front desk and got our kiln back to working order; and Adam Dumner assisted over the course of many days with the troubleshooting and fixing of our fire suppression system and water tank.

Dear Board Chair and Superintendent,

Thank you for all of your hard work during a very challenging time in education. The services your district has provided in response to students' needs, as well as the resilience and flexibility shown, is a testimony to the dedication of you and your entire staff.

As you are aware, SB 98 amended Ed Code 43509 to suspend the LCAP for the 2020-21 school year, and require the adoption of the Learning Continuity Plan (LCP) by September 30, 2020. The LCP is intended to balance the needs of all stakeholders, including educators, parents, students, and community members, with the need for LEAs to formally plan for the 2020-21 school year in the midst of the COVID-19 pandemic.

The Trinity County Office of Education has received the LCP adopted by your governing board. We have reviewed the plan and have determined that you have addressed all of the required elements. Please remember to prominently post your LCP on the district website, and send the direct link to Tim Nordstrom, Director of Educational Services.

Once again, thank you for your leadership, communication, and adaptability during this process. Please do not hesitate to reach out to me or to our TCOE Team with questions and concerns.

Sincerely,

Sarah Supahan, Superintendent of Schools
Trinity County Office of Education

Approved: November 2020
SEXUAL HARASSMENT

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5131 - Conduct)
(cf. 5131.2 - Bullying)
(cf. 5137 - Positive School Climate)
(cf. 5145.3 - Nondiscrimination/Harassment)

The district strongly encourages any students who feels that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the superintendent or principal, the district’s Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the district appointed Title IX Coordinator.

Once notified, the administrator, compliance officer, or the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 5141.4 - Child Abuse Prevention and Reporting)
(cf. 5145.71 - Title IX Sexual Harassment Complaint Procedures)

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district’s sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district’s web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district’s primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students.

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made.

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues.

8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation.

Disciplinary Actions

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

(cf. 5144 - Discipline)
(cf. 5144.1 - Suspension and Expulsion/Due Process)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

(cf. 4117.7/4317.7 - Employment Status Report)
