6.0 Reports
6.1 Building Projects
Discussion: Thank you Cyn VanFleet for having the project go through a first pass filter. This will be very helpful when the project goes through audit.

6.2 Superintendent
Dr. Bryan Caples stated that we will apply for a state waiver (J-13) for the days school was not able to be in session due to the Monument Fire natural disaster crisis. Staff will receive their normal pay during the delay in starting school. If the waiver is approved, the instructional year will end at the normal time and no additional days would need to be added to the end of the school year. Discussion on the Hardship Waiver that we are applying for that will exempt our district from the new Independent Study requirements set forth by the state.

6.3 Business
Business halted--the school and Burnt Ranch area is currently under a mandatory evacuation order due to the Monument Fire.

Kristi Kilgore reported on the current fire status as she knew it and that some firefighters were using the gym to sleep at night. This affects many staff, students and board members. The start date for school was moved to September 7, 2021. Dr. Caples recommends that the school be inspected and cleaned by a professional company that deals with fire, ash, and smoke damage before students return to school. Board member Mike Harding suggested that the inspection/cleaning may be covered under our insurance. Dr. Caples will make the necessary contacts to secure a professional company that will inspect, test for ash, and clean the school. All air filtration filters should be replaced before school regardless of when they were last changed. Board Member Sarah Brown suggested other models to look at if we have to delay school even farther such as working with students off campus, providing packets, and or online-based curriculum. Discussion ensued with the pros and cons being discussed. There will be another board meeting on August 31, 2021 to reassess the status of the Monument Fire.

1.0 Action Items

1.1 Discussion of Current Evacuation Order for Burnt Ranch – Cyn Van Fleet opened the discussion with news of the Burnt Ranch area being released from an Evacuation Warning due to the Monument Fire. She also raised concerns about the new fire in Willow Creek, the Knob Fire. Many students and staff live in the Willow Creek area and this would have an impact on Burnt Ranch School. Dr. Caples stated that he felt the school board should consider opening on September 13th. This would allow more time for staff and students who were evacuated to return to their homes and be better prepared for school to start. He stated that the school would submit a J-13 waiver for the days missed. Principal Holland-Kilgore confirmed that a September 13th opening date would benefit students and staff. All board members were in agreement. On September 26th, the school was inspected by West Coast Fire & Water for ash, smoke, and fire damage. The cleaners would be at school this Thursday or Friday. Cyn Van Fleet directed Dr. Caples and Principal Holland-Kilgore to inform students and staff of a new start date of September 13, 2021.

Principal Holland-Kilgore was unsure if Verizon would bring another trailer. Board member Sarah Brown stated she would like a contingency plan if school continues to be delayed. She also would like to see the campus utilized for a clean air facility or evacuation center.
