Current temperature:	_____ ° F	

If you answer “yes” to any of the symptoms listed above, or your temperature is 100.4° F or higher, please do not go school. Self-isolate at home and contact your primary care physician’s office for direction.

In the past 14 days, have you:

Had close contact with an individual diagnosed with COVID-19? Yes No

If you answer “yes” to this question, please do not go into work. Self-isolate at home and contact Trinity County Public Health office for direction (530)623-8209.

For domestic or international travel guidance, please go to : <https://covid19.ca.gov/stay-home-except-for-essential-needs/>

When Students May Return to School if COVID-19 positive:

- A student who has COVID-19 may return 3 days after their fever is normal (without fever reducing medications); **and**
- All of their other symptoms have improved; **and**
- Ten days have passed since their first symptom **OR** they have tested negative twice in a row, with the tests being 24 hours apart **and** they have no fever or other symptoms.
- If a student has had direct exposure with COVID-19, they can return 14 days after their last exposure, as long as they do not have a fever or any other symptoms
